No detail was overlooked with this quality constructed John Howard home. From the low maintenance brick exterior with dimensional shingles to the open and inviting floor plan with beautiful built cabinets and stainless steel appliances, this DAWSON II home is just what you are looking for. Supports 9 ft ceilings unless mention. Family Room, Foyer both have 10 ft ceilings.

Open floor plan with a raised ceiling family room. Opens into the dining area and kitchen.

Raised ceiling with ceiling fan in the master bedroom. Master bath has a gracious walk in closets, garden tub with separate shower.

Don't forget the beautiful designer lighting. Plenty of room for everyone. Covered entry porch and a covered porch and patio in the rear. Makes for plenty of outside entertaining or just watching the kids enjoy their backyard.

Builder's standard features include: LP TechShield Radiant Heat Barrier in attic, Square D Electrical Panel w/Surge Breaker, keyless entry Schlage lock system, DSC security alarm, 2-10 Home Owner Warranty and Storm Tech Shutter Systems. This home definitely is a MUST SEE.
